

November 7, 2009

Rhonda,

Thank you for sending me those pictures, they're beautiful! And I have to let you know that our wedding at Paradise Springs, was so much more than I have ever dreamed for, and I mean that so sincerely!

From the hair and make-up with Carol whom you introduced me to, that helped me look like my most fantastic self... to the bakery you suggested that allowed me to have both a gorgeous and outrageously delicious cake within my means; likewise you showed me the florist, who would manage to create the bouquet I had in my head but could not verbalize.

Then, as if that was not enough, you also led me to Autrey who aided me in convincing Matthew we should include personal vows in our ceremony. And because of that incomparable personal touch, along side Autrey's calm, poise and professionalism, there was not a dry eye in the house, literally! More still you are why we found Kirk Moulin our DJ, who kept everyone, including Grandma, shaking their thing all night long. Each referral you gave was incredible and I could not have been more pleased and would not change a thing, and without you I wouldn't have found them!

Rhonda I, like most girls, have dreamt of a wedding since I was about 5 years old. But I never actually expected to experience each dream unfold. Paradise Springs is magical, and you are a wonderful and essential part of that magic! Thank you for helping me along the way! You, and this place, helped create for me the calm in the storm that is a wedding. And by you helping my nerves subside, I could simply feel excited, special, lucky, deliriously happy, and madly in love; basically, I could just be a bride.

So thank you, and thank Paradise Springs for giving Matthew and I the best wedding gift of all, which was the ability to truly live in each moment of our unforgettable blink. Thank you again, from the bottom of my heart. I will refer you any chance I get, and feel free to use this as a testimonial if ever you want or need to.

With Love, & Deepest Gratitude,

The Conways
(Matthew & Erin)
