RE: Paradise Springs

Dear Rhonda,

On behalf of our group from Fresno City College, we want to thank you for sharing the most beautiful piece of paradise we have ever experienced! We all loved The Villa at Paradise Springs and wished we could have stayed longer!

I loved the location! You really don't have to drive far to find a little piece of heaven! The Villa provides an awesome rustic sophistication with every comfort you would ever desire! - Maile G.

I had a wonderful time there. I don't much like camping, but his experience was tremendous. It didn't feel like being in the great outdoors even if we were. Your hospitality was superb and above and beyond the call of duty. Thanks again for a wonderful experience. - Linda S.

I thought it was a great place that is close to the city, but takes you out to the country, the sweet smell of pines and Manzanita, peaceful, and private. It's a great place for a family get-away. Valerie D.P.

It was fabulous! Paul T.

It was beautiful! Nanci S.M.

It was truly a wonderful experience. A hidden jewel and a fabulous getaway! The staff was so gracious and everything you need is right there along with the gourmet kitchen!! Gurdeep S.

Again, thank you for sharing your little piece of heaven with all of us!

Warmest,
Maile Glover
