Hi Rhonda,

It's been busy ever since we got back from Yosemite! Wish we could go back again today! Thanks again so much for the hospitality, organized way of making our reservation, etc. Every need we had was met and our time at Paradise was truly "Paradise"! We really enjoyed our last day to ourselves as well. What a beautiful place, one which we look forward to going back to!

Have a wonderful Fall season!

Yours truly,  
Stacey Rogers
